MARCH 2024 NEWSLETTER

Next Board Meeting, 6:00 PM on Thursday, March 14th

ANNUAL MEETING, 6:00 PM, MARCH 14TH

We need 29 owners to turn in ballots for a quorum at the Annual Meeting. Currently 25 have returned ballots by mail. If you have not yet returned your ballot by mail, please bring it in person or give it to someone you know who will attend the meeting. This will help achieve a quorum and make sure your vote is counted.

NO PLAY IN DRIVEWAY

The driveways have blind corners, cars backing out of garages and is a dangerous place for children to play. Please instruct them to play in the center courtyard instead.

TEST ALARMS

When you change your clocks for daylight savings, please also make it a point to test the smoke and carbon monoxide alarms in your unit. Briefly hold the test button until the alarm sounds. If it does not sound, replace the batteries or the alarm with a new one that has batteries that can last a decade.

SPRING CLEANING APRIL 8TH-15TH

A dumpster will be delivered near the south entrance on April 8th and removed on April 15th.

Residents may load the container with personal property they no longer need.

Hazardous Materials such as paint, florescent bulbs, oil, anti-freeze and batteries are not allowed.

If you have e-waste or appliances, place them on the pavement outside the container furthest from the street.
